Foreword

"Nothing is lost, when memory lives," and memories of Temple High School will live a long time in the minds of our students. It is impossible to forget all the happy moments of years gone by. This year, 1955-1956, in our second year as a high school, we have achieved much. Several new organizations have been formed on our campus this year, we have made new friends, we have participated in many new and different activities, and we now have an added year of knowledge. All this will aid us greatly in our future.

We have come a long way here at Temple and we have a long way to go. It will be a little bit difficudt without the leadership of our graduating seniors, but we will certainly have fun trying to achieve our goals and make our dreams become realities. This annual is full of reminders of those moments small enough to pack away and keep forever, yet large enough to lean against when you are weary.

Lots of luck to
a sweet girl
& good luck with all
the boys.

RAMS,

You may be proud of this first year as a full-fledged high school. Scholastically, socially, and athletically you have done well.

Your willingness to accept responsibility, your fine school spirit, and your ability to represent your school as leaders and sportsmen have made Temple City known as a **good** school.

We have had a senior class filled with outstanding people. They will be missed, but we are looking forward to those of you remaining taking the lead in a continuous campaign to name Temple City High School the Best.

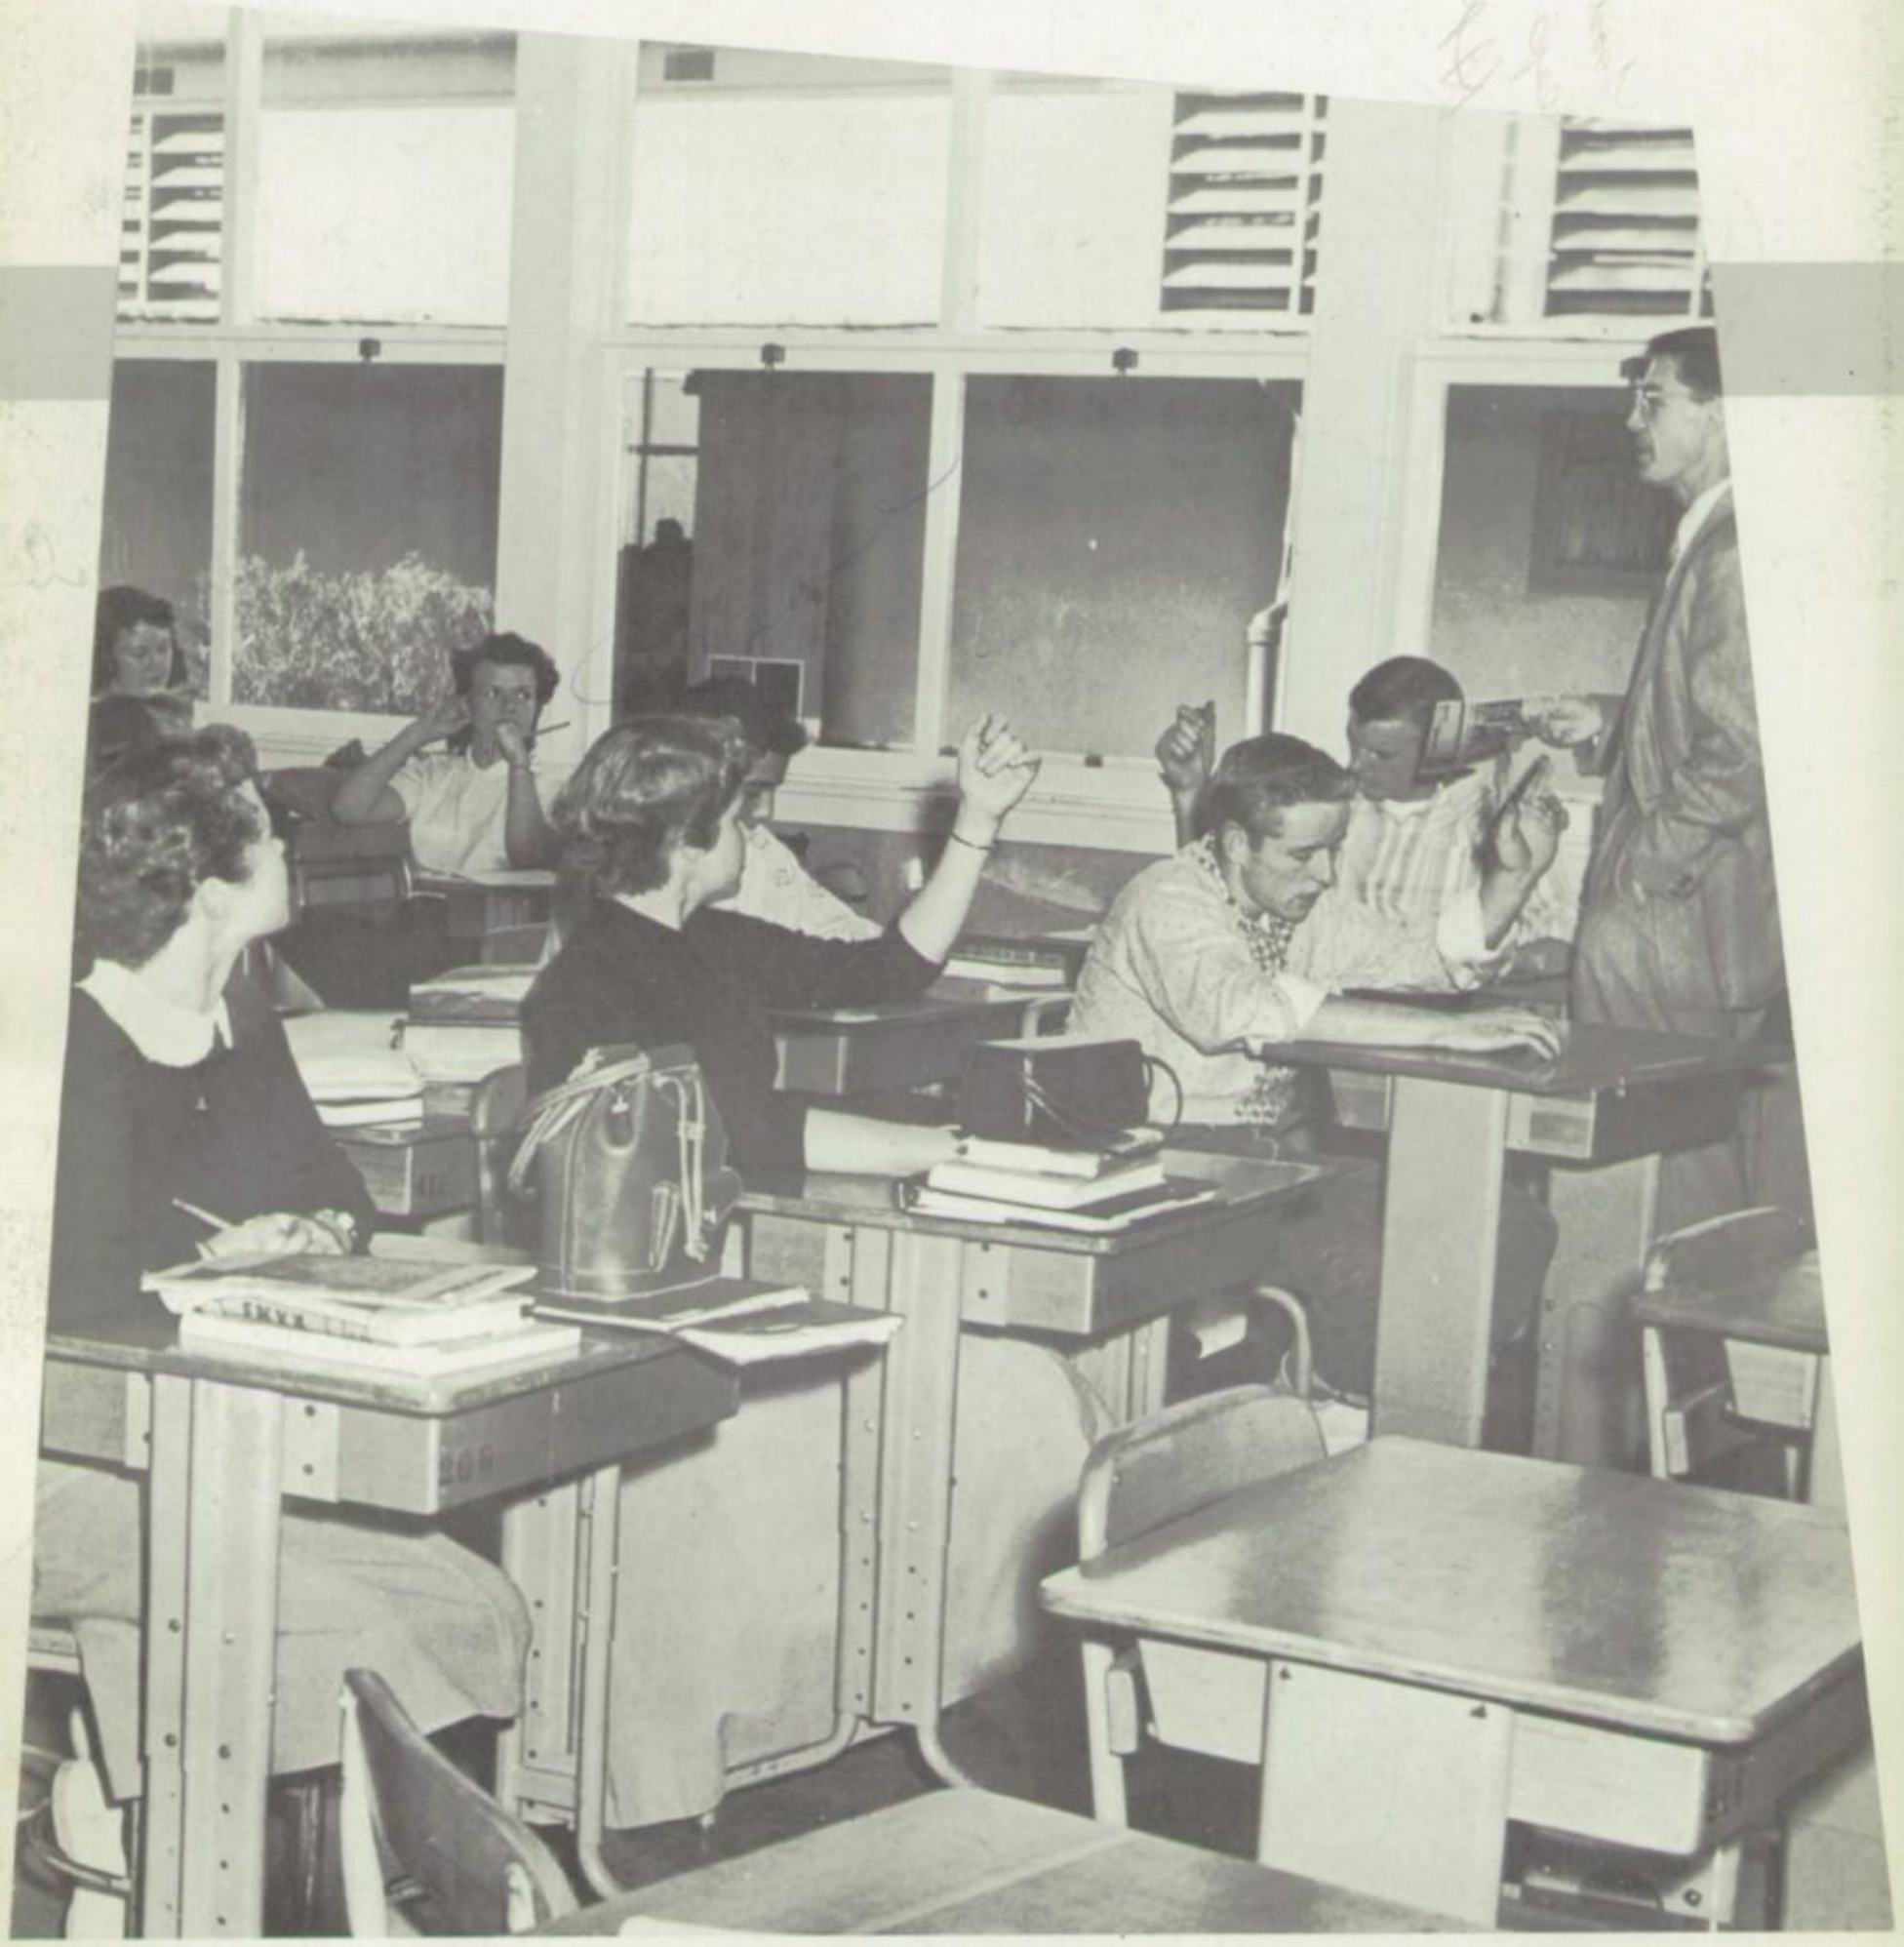
STUDENT GOVERNMENT and CLASSES



Student Leaders

A. S. B. President

It has been a privilege and an honor to serve as your Student Body President. I would like to give my thanks to the teachers, the cabinet, and all of the students for the cooperation they have given me. To the classes coming up I wish the best of success, and I know you will continue to build the tradition of Temple City High School. The fact that you, the students, can have a voice in the government of your school shows again how priceless democracy is. Support your elected officers, for by so doing you will carry this practice with you into life and be a better citizen.

Hi
Lots of luck in the future at T.C. I hope you run for some office next year.

Vice - President

The Vice President of the Associated Student Body is also the student council chairman. His responsibility is to preside over all council meetings and to assume the president's duties in his absence. Thank you for the opportunity to serve as your vice president. It has been an honor and a privilege.

President's Cabinet

As this is Temple City High School's first year as a four year high school, the student cabinet has worked hard to give the students all the privileges of a high school.
Many clubs have been organized on campus and chartered by the cabinet.
Our student body officers and those of the other schools in the Rio Hondo League have formed a league forum. School spirit, good sportsmanship, interschool friendships are the ideals of this forum.
In any good government the voice of the people is necessary. Each student at T.C.H.S. has the right and the chance to voice his opinion through his representative to the student council.

It has certainly been an honor to serve this Student Body as Dance commissioner. I'm sure you will remember the Christmas Dance as a good example of the wonderful year we've had for dances. I sincerely hope they have played as important a part in your high school life as they have in mine.

BOYS LEAGUE

This is the first year that the Boys League was in operation at Temple City High. The main purpose of the Boys League was to promote the interest of the boys and provide interesting activities for them and the rest of the student body.

The first activity this year was an all-boys assembly on the history of the Jr. Rose Bowl game. Then came the annual Frosh-Soph Mud Brawl in which the Sophs emerged victorious. After we came back from Christmas vacation, the Boys League sponsored the annual Student-Faculty Basketball Game. The final score was rather uncertain, but we are reasonably sure the Faculty won. A high spot on the school social calendar was the annual Valentine's Fantasy formal, co-sponsored by the Girls League and the Boys League.

This year's officers were: President, Mike Coghlan; Vice President, Ronald Surdam; Secretary, Terry Reinhold.

The Sophs battle it out with the Frosh at the **Soph-Frosh Brawl.** The Frosh are valiantly fighting for possession of the Giant Push Ball.

PEP COMMISSION

"MEMORIES ARE MADE OF THIS . . ."

Gene Norman welcomed the group on his TV program, Campus Club, and engineered two firsts—the first performance for the Pep Commission and the initial Campus Club program for the new series.

Presentation of all of the Pep Rallies throughout the year accounted for a great many laughs and a great many wonderful memories—the Safari, Apache Massacre, You Are There, Knights of the Ram Table—to mention a few. Exchange assemblies with South Pasadena and San Marino stimulated our interschool sportsmanship.

Temple's fine presentation in the Burbank, Arcadia, Long Beach, Monrovia, and Alhambra parades make them worthy of the fame they shall some day have. Aside from aching feet, and extreme fatigue, the band and pep groups brought home many awards to add to Temple's trophy room.

Pomona Fair and Disneyland were two of the honored invitations Temple was most fortunate to receive. Temple's fame seems to be spreading.

The presence of the Pep Commission at the games made everything so much more exciting. The Drill team's presentation was always a great addition and some of the more remembered ones were Dove in Bloom, School Days, and Nursery Rhyme Review.

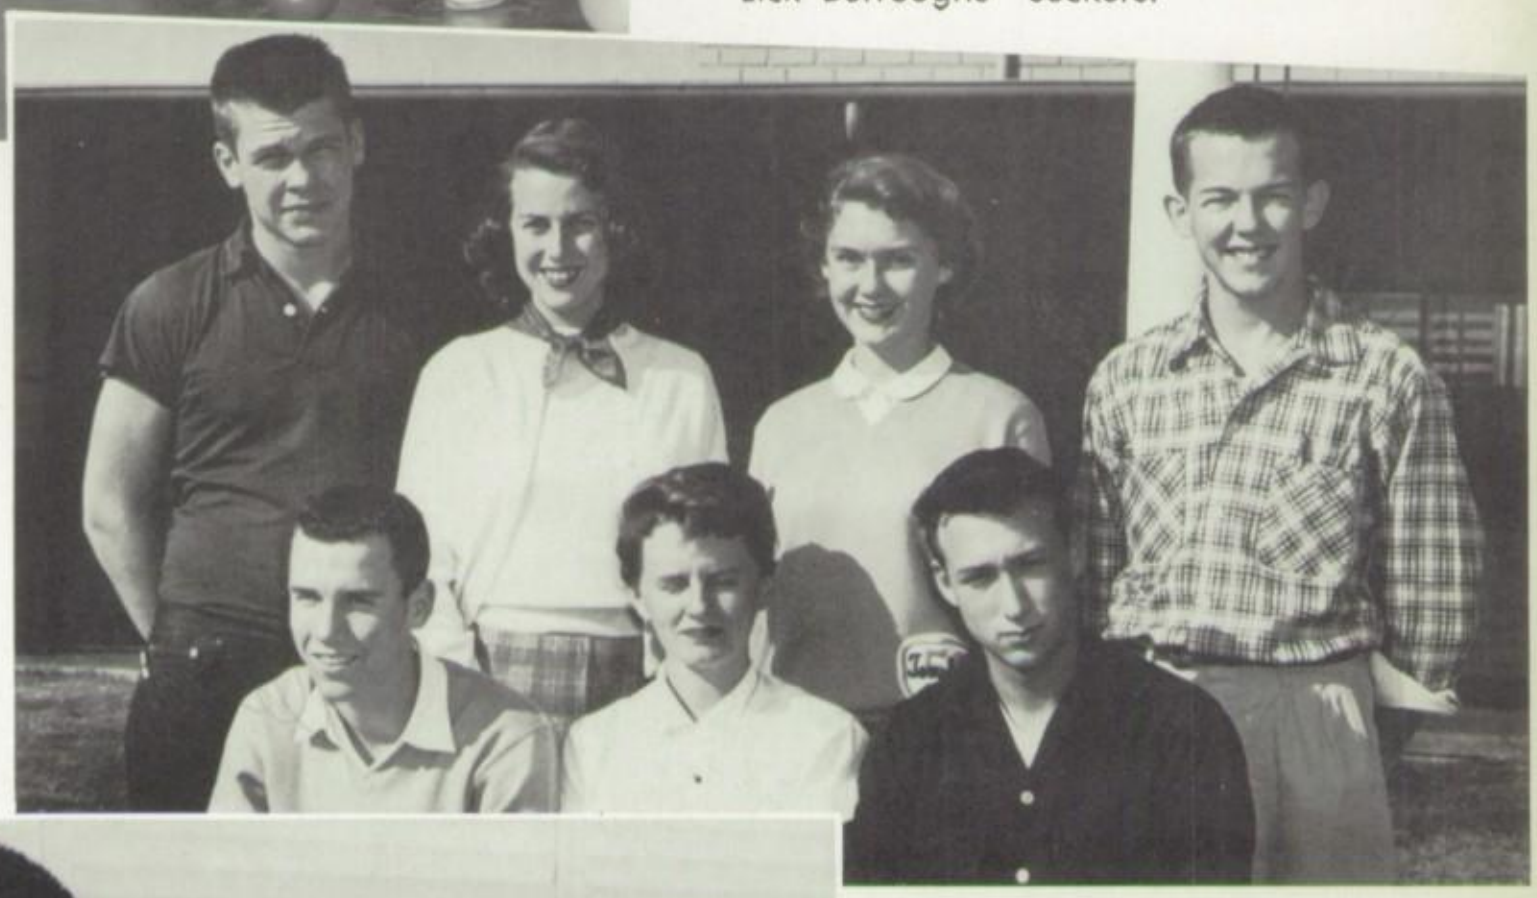
Senior Memories

The graduating class of 1956 started out in 1952 with eager anticipation, for we could now participate in inter-school athletic competition, and in another year we would be seniors of Temple City Junior High. Despite our determination, our football fortune remained the same.

As the months flew by, September, 1953, came, and we proudly strode the halls as Seniors! The Spanish Fiesta given by Mrs. Phyllis Nelson's Spanish classes highlighted the year. Later it was impressively climaxed by our Rose Bowl graduation and our prom at Hinshaw's auditorium.

Strangely enough, we were still the upper classmen in the eleventh grade, for T.C.J.H. became Temple City High School. With the new name came a new faculty, renewed spirit, and some new faces. William Blomgren's civics classes kept busy sponsoring dances, running hot dog stands, and selling "Lick Burroughs" suckers.

It was quite a feat to carry a balloon between your knees, across the finish line, and then have to stamp on it in order to win this decathlon event at **Gene Norman's Campus Club.**



Senior Council: Back Row: L. Hannemann, J. Steward, C. West, T. Spurney. Front Row: F. Utterson, G. Wagner, B. Gallager.

Receiving the news from Mr. North that they were to be Temple City High School's first delegates to **Girls and Boys State** are Delana Evans and Bill Judy.

Remember the sweet music the Firehouse Five Plus Two played at our Christmas Dance? We can't forget how the Band Uniform Drive emptied our wallets. And finally things began looking up in sports!
We're seniors once again—and the first ones to graduate from Temple City High! Our turquoise senior sweaters with the black and white emblem symbolized our prestige. We were the first to establish a Junior-Senior Variety show, the first to enjoy a prom at the Huntington Sheraton Hotel, and the first ones to go through graduation exercises with all the trimmings. We've reached the top and must now step out to face the world. As we look back, we will have these "moments to remember."

These are sailors? These mythical sailors appeared in the first annual **Modern Dance Presentation.**

"Turnabout is fair play." At the backward Halloween Dance, these lucky boys received corsages from their dates.

As you can see, Bermuda skirts and shorts were the dress for **Slave Day,** February 17. The large red heart tells everyone that Carol is Leonard's slave for the whole day.

JUNIORS "57"

The big problem that confronted the Junior Class this year was Temple City High School's first Junior-Senior Prom. One of the duties of a Junior Class is to give the graduating seniors a prom. In the case of Temple City the job was very hard because Temple City had never held a Junior-Senior Prom before, and because of this the Junior Class had no precedent to follow. Led by President—Ronald Surdam, Vice President—Sandra Finkle, and Secretary-Treasurer—Diana Breneiser, for the prom, the juniors decided they would need to raise money to rent the Huntington-Sheraton Hotel, and to hire a topflight band. In order to do this they organized the following money-raising projects: a special Pep Assembly, a Banquet, a Junior-Senior Review, and a Temple City Pennant Sale. The juniors worked very hard to make the prom a success, because it is one of the events a senior remembers about his high school.

In the course of the year the juniors chose their colors and the design for their sweaters. The Junior Class was sponsored by Mrs. Susi Peterson and William Blomgren.

"THE FRESHMEN"

This year marked the third in which we have had the role of the "Perennial" freshmen. We are looking forward to meeting next year's crop of frosh which will be the first to come up from the elementary schools. As 9th graders perhaps we'll even defeat them in the next Frosh-Soph Brawl, which we lost this year. Sponsored by Mrs. Marian Evans and Arthur Sawicki, the 9th grade elected its first officers in October.

Memories of this Freshman year should be indelible on the minds of this year's crop since we've already had 2 trial years, or was it 2 trying years?

Dear Penny
I hope that you pass
all you years of life with
least of troubles.
With Best Wishes

Concert Choir

A combination of fifty-four voices made up the Temple City concert Choir under the direction of Roger Lockie. The date of their debut was November 23, when they appeared before the school in the Thanksgiving Convocation. Sarah Williams was elected president and also served as the piano player. John Simons was Vice President. The Choraliers, a group of twenty-seven voices, was a newly formed and a highly select group. They made a total of three appearances after their organization in January. Another of the special groups was the "Temple Belles." We are all familiar with the six faces that appeared regularly for many occasions.

The first officers elected were: Diane McDermed, President; Kay Davidson, Vice President, and Lora Rosenbohm, Secretary.

Each member is allowed to participate in various activities offered in this field—such as: make-up, costuming, stage design, lighting, music, dance, choral, speaking and other phases. Poise, co-operation, concentration, leadership, creative ability, and appreciation are some of the objectives set for all who wish to participate.

The Stage Dwellers second group of officers were: Carmon Brewer, President; Tony Roberts, Vice President; Carolyn Cameron, Secretary.

The season opened with four students-directed one-act plays:

1. Glinda
2. Driven From Home
3. Chemistry is Magic

Staff

"A printed paper for Temple City High." This was the very most important goal in the mind of each member of the Rampage staff. September 30, 1955, is the day of remembrance in T.C.H.S. journalism history. Although it was only a four column, two page paper, the distribution that Friday created quite a sensation in each 5th period class.

Enlarging the paper was the next project. On the third edition, November 18th, the Rampage was enlarged to a five column four page paper. In order to print the paper, several of the staff members sold ads downtown for three weeks. Endless time and effort was put forth, but its appreciation by the students as it was published monthly, made it all worthwhile.

As we come to the end of the year we are proud of our paper and the progress it has made.

We are going to miss all of our senior staff members, but we are also looking forward to next year which will bring bigger and better things for our Rampage.

Brownlee Hubble was the adviser for the second year.

ANNUAL

"We learn by doing" is the motto of the Annual Staff.

The "learning" part involved Field Trips to such interesting places as U.S.C., Redlands, and the publishers—The Yearbook House, Inc., Monrovia.

The "doing" part takes place on Saturdays, holidays, and vacation days. Much of the work is done after school.

The Staff believes that just one look at the finished product is worth all the time and effort they have put into the Annual.

The Business Club of Temple City High School is an organization composed of students taking business subjects. The purposes of the club are to help the members achieve a closer understanding between the school and the business world, to achieve better understanding on the part of members of everyday business and economic practices, and to provide students with an additional "prestige" credential when applying for a job.

The past year the Business Club accomplished many successful projects. In October, the club sponsored the first backwards dance of the year, "The Halloween Hop." The gym was colorfully decorated with orange and black streamers, black cats, pumpkins, and witches. During the Thankskiving season the members contributed staples and canned goods to the school's annual "Food Contributions for Needy Families." As their project for the Christmas season, the members made Christmas and New Year's tray favors and wall decorations for the Red Cross. An installation of members and officers was held in January, and the club also completed the planning of a Career Day for the entire school. Members built a float for the Temple City Camellia Parade in February. The theme of the parade was "Day Dreams"; our float was entitled "Captain of the Good Ship Lollipop." The group also went on an excursion to a business office; and as the last project of the year, the Business Club held an awards banquet for the students of the Business Department.

Sponsors for 1955 were: Mrs. Emily Fuhs, Mrs. Edith Hughes, and David Horsley.

Front row: S. Fenner, R. Mack, R. Bell, T. Dawson.

E. Angell came in first at one of our most important meets.

The cross country team of Temple City became the school's first championship team. They earned the Rio Hondo League Title by winning all four league meets.

Culver City, a member of the Pioneer League in the large group of the C.I.F., dealt the Temple City long distance boys their lone defeat 27-28. (Lowest score wins.)

League competition ended in a climactic manner with Santa Fe, who were also undefeated in league competition up to the time of the meet with the Rams. Temple City defeated the Chiefs 23-32 in the most one sided meet of the year for the Rams.

Ernie Angell was high point man for the Rams. He topped his season performances with a first place in the crucial Santa Fe meet.

The Rams were coached by Joe Feary, who also doubled as backfield coach on the varsity football team. Tom Agnew and Carl Bonney were elected co-captains by their teammates.

In C.I.F. preliminaries the Rams represented the Rio Hondo League, but they failed to advance any further in the playoffs.

In the first season of varsity competition Temple City had a basketball team that advanced as far as the finals in the C.I.F. playoffs, Northern Group.

Temple City were the co-champions of the Rio Hondo with a 10-2 record, tying with South Pasadena.

Meeting Harvard in the quarter-finals, the Rams won easily 56-39, and followed with a 62-56 win over Atascadero in the Semi-finals. The Rams finally met defeat by St. Monica, 71-51 in the finals. They were named the runnerup in the Northern Group, C.I.F.

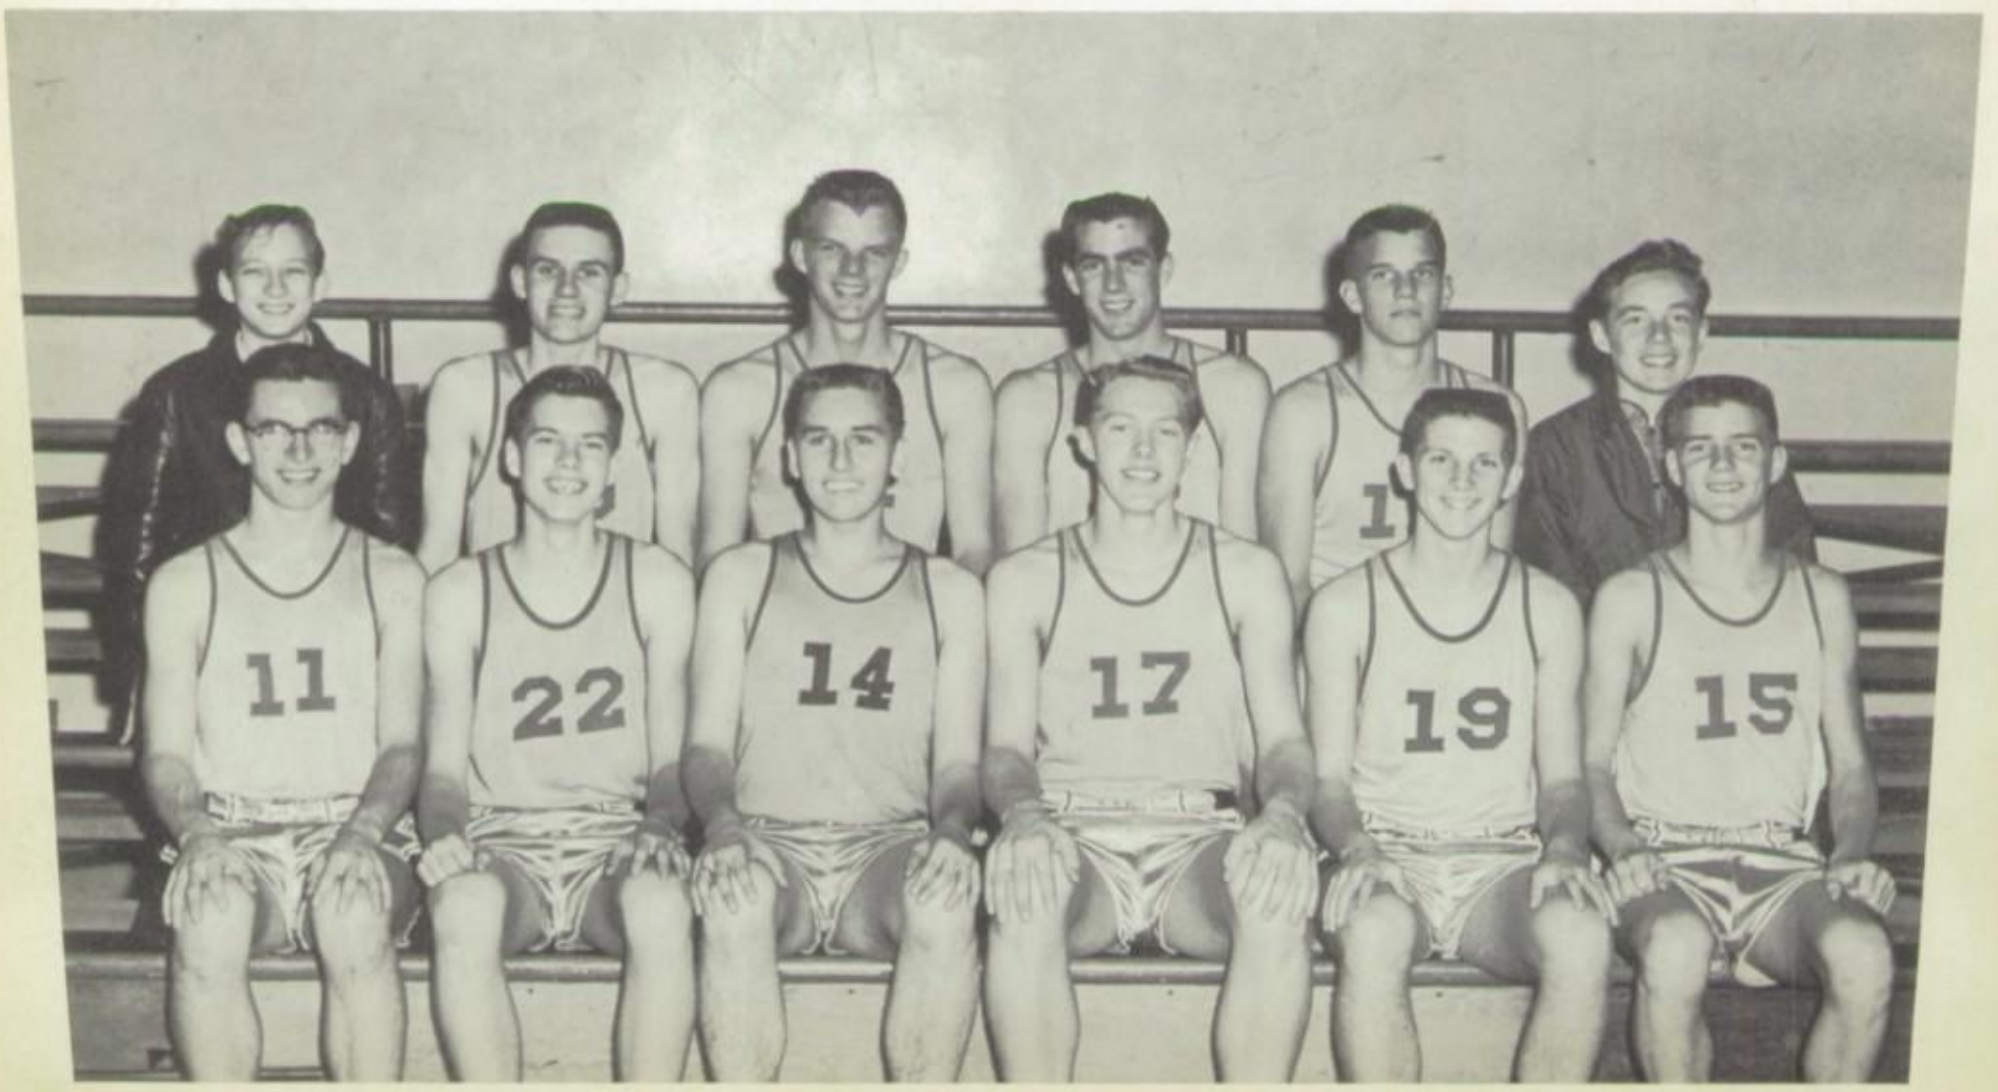
Temple City's squad consisted of the following boys:

Bill Judy, Most Valuable Player and high point man for league and regular season competition. Bill showed his best here at the TCHS gym against South Pasadena when he sank 32 points to lead the Rams to victory, and against Bell Gardens when he made five out of six free throws in the final two minutes to beat the Lancers.

Bud Koenig, Most Improved Player on the squad, in the opening playoff game against Harvard led the Rams with a third quarter splurge, which was the high point of the game.

Bob Bender, Captain, of the Temple City hoopsters, displayed his fine defensive ability against St. Monica in the finals by holding Ralph Garcia, who averaged over 20 points a game, to 12 points. Four of those points were on free throws caused by fouls committed by some other T. C. player.

Varsity Squad—**Back Row:** Mgr. Edwin Brown, Ray McNulty, Bill Nolan, Bud Koenig, Denny Wheeler, Barry Ballow. **Front Row:** Nelson Kempsky, Richard Howard, Ken Larson, Bob Bender, Bill Judy, Alan Langdale.



TWO IMPORTANT POINTS—Bud Koenig drops in two points for TCHS as Jack Newson of the Lancers attempts to block it. Bill Nolan is at the right. Note—ball is in basket.

Coaches Marty Pelka and John Applegate.

Bill Nolan, high point man for the C.I.F. play-offs, played an excellent game against Atascadero in the Semi-finals. Bill sank 22 points and was the top rebounder in the game.

Denny Wheeler led the Rams to their victory over San Marino with 23 points, and he was on the backboards all evening taking rebounds for Temple City.

Ray McNultry played an important role in the win over Bell Gardens, that cinched a tie for first place, with his fine driving lay-in shots. He scored 12 points to be one of the big guns in the TCHS offense.

Ken Larson led the Rams offense against Arroyo in the first encounter with 14 points.

Alan Langdale led the third quarter splurge against Baldwin Park in the Edgewood Tournament, that was the turning point in the game. Alan sank all four of his shots.

Nelson Kempsky led Temple City to its 17 straight points against Santa Fe after the Rams trailed 13-12 early in the second period.

Chuck Henny dumped in six points against Artesia in Temple City's big scoring quarter.

Richard Howard hit 75% of his free throws, also in the Artesia game, in the high scoring period.

Temple City's Track Team was faced with a unique situation this past season. Under usual circumstances a school's varsity is its strongest team, but this year the number of boys participation in track was less than usual. Both Coaches Joe Feary and Chuck Piper decided, after careful consideration, that of the two teams (the Varsity and "B" squads, the "C's" were not involved) the "B's" had the best chance of winning the League Championship in their division. Because of this situation all the possible strength was shifted to the "B's"!

Because of an early deadline (Mar. 19) we had no way of knowing who took the Championships, but as far as we could tell, and according to predictions of the coaches, the "B's" should have fared better than the Varsity or the "C's".

Also because of the deadline we couldn't tell who would set school records and enter C.I.F. competition. However, some of the boys who the coaches thought would be outstanding were, in Varsity competition, Bob Beachboard (100, 220 yd. dash), Tom Parrington (440), and Dale Butterfield (shot put).

Among the outstanding participants in "B" competition were Ernie Angell (distances, Tom Agnew Zernikow (100, 220 yd. dash). In the "C" division there were only two boys who had any chance to place in C.I.F. and they were Dale Long and Bill Wells.

TENNIS

The Temple City Baseball Team had a successful non-league season by winning five of its eight contests. Because of an early dedline, the annual cannot carry the league results or a summary.
Using the Arcadia County Park as their home diamond, the Rams highlighted the season with a 15-hit performance against Harvard, winning 12-1.
Pitchers Gary Norberg and Jim Pirkle have each completed one game, giving up five and three hits respectively. Doug Wooley, also a pitcher, has gone the distance in two contests. He only allowed two hits in his top performance.
Other members of the varsity squad are: Jerry McClellan, catcher; Grant Bachtold, first base; Terry Christensen, second base; Dan Brook, left field; Ken Lloyd, third base; Willie Schenck, shortstop; Jerry Redman, centerfield; Gil Fernandez, right field; Bill Judy and Gary Topjon, infielders; and Bill Taylor, pitcher.
